TASTE OF THE DYLAN

Michelin star awarded restaurant Vinkeles

Awarded a Michelin star in November 2009, the delicate French cuisine offers an excellent mixture between classic and contemporary styles. Surrounded by original 18th century ovens that once served as a bakery and overlooking the garden, the restaurant offers an intimate and elegant setting.

The menus of Executive Chef Dennis Kuipers show his dedication to purity of flavor and presentation using only the freshest ingredients. Often described by guests as “exciting, modest and refined” the restaurant is an element to The Dylan that should not be missed. Restaurant Vinkeles serves dinner from Monday to Saturday between 7 pm - 10.30 pm.

Bar, Lounge & Long Gallery

Whether for business or for pleasure, meeting for a drink should always look good! Bar Barbou, the Lounge and Long Gallery are open for drinks, lunch and 'brasserie style' dinner daily between 11 am and 11 pm.

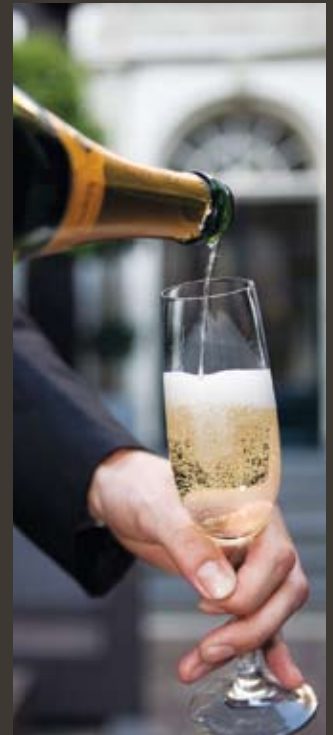

Secluded Garden

The Dylan Amsterdam's hidden treasure. Lit with candles and warmed by heat lamps when needed, the garden is the secluded spot you have been looking for. A 'brasserie style' Lounge menu is served for lunch and dinner.

High Wine

Perhaps you recognize the 'High Wine' concept from its longstanding relationship with Tea. Here at The Dylan we like to consider the decadent affair as Bacchus would see it fit. A selection of 4 of our finest wines is served in combination with 4 different tapas style bites especially selected by our Executive Chef Dennis Kuipers.

Available every day starting at 3 pm.
